HTG INVESTMENT ADVISORS TO HOST NETWORKING EVENT FOR LOCAL BUSINESSWOMEN, ENTREPRENEURS MAY 3rd

HTG's Co-Founder Jeanne Gnuse to Host Ladies Who Launch Networking Social

New Canaan, Conn. (April 29, 2011) On May 3, 2011, the Southwest Connecticut Chapter of Ladies Who Launch will present a networking social hosted by the co-founder of HTG Investment Advisors, Jeanne Gnuse. Cocktails and hors d'oeuvres will be served. The event will bring women with entrepreneurial aspirations together with those who have already established their own successful businesses, providing everyone with the opportunity to network, brainstorm -- and have some fun. A contribution will be made to The Fairfield County Community Foundation's Fund for Women and Girls.

The host of the event, Jeanne Gnuse, is a respected businesswoman who achieved success in the fashion and healthcare industries before helping to launch a flourishing wealth management firm. She believes such an event is valuable to the growing niche of women in business. "Women face their own special set of challenges when launching their own businesses, and they can reap a unique set of rewards as well," Jeanne said. "A relaxed, social atmosphere can be a welcome change and incredibly conducive to discussing business opportunities. I'm hoping that women in Fairfield and Westchester Counties will come together to seek advice, to share stories, to make new contacts -- and to just have a good time."

The reception, which will feature a short presentation on the top financial challenges facing women, will be held at the offices of HTG Investment Advisors at 50 Locust Avenue in New Canaan from 5:30 p.m. to 8:00 p.m. on Tuesday, May 3, 2011. Members of the public are welcome for a fee of \$15. Ladies Who Launch Platinum Members come for free.

The Fairfield County Community Foundation's Fund for Women and Girls uses the power of collective giving to identify and address the needs of women and girls, educate women about philanthropy and engage them in creating change. The fund's goal is to raise a permanent endowment to support programs

that foster economic and social growth for women and girls. Since 1998, the Fund for Women and Girls has awarded more than \$1.9 million in grants.
